Basic personal data

While typing your personal data, remember that if you're enrolled, your data will be uploaded to university systems and printed on university issued documents. In Polish, proper names (such as first names, surnames, city names) are written with a capital letter. Only the first letter should be capital, not all of them. Do not enter Cyrillic or Chinese characters, use Latin transcription instead. If you have double surname, there should be no spaces around the hyphen. For example: Janina Maria Nowak-Kowalewska.
